

51ST GRADUATE SUMMER SESSION IN

EPIDEMIOLOGY

ENHANCE

YOUR PUBLIC HEALTH CAREER

**JULY
10-29
2016**

Distinguished faculty from the U.S. and around the world will teach your courses in the nation's longest-running summer program in Epidemiology. Your coursework takes place in beautiful Ann Arbor, Michigan, one of the country's best small cities. If you are a public health professional or are just interested in health research, this program is for you.

Three-week courses with distance learning available in:

- Fundamentals of Biostatistics
- Fundamentals of Epidemiology

Over 25 one-week courses covering various topics in:

- Epidemiology
- Biostatistics
- Data Management
- Public Health Practice

CERTIFICATE PROGRAM

Academic Competencies
in Epidemiology
(12 Credit-Hour
Program)
